

# Collatrim Plus Powder

326.5 g Bulk powder, Collagen supplement, Stock No. 3062-0

Throughout our lives, our joints take a beating. To properly maintain the joints, our bodies need collagen, the protein-rich building block of cartilage. Collatrim Plus provides the important collagen support our bodies need to remain healthy and strong.

NSP Collatrim Plus provides an effective way for people to get collagen. This great-tasting powder drink mix is sweetened with all-natural xylitol. That's also good news for those who need to manage weight. Collatrim Plus supports your weight-management goals. As energy and the desire to be active increases, the joints will be ready.

## *Did you know?*

Collatrim Plus is designed to support weight management by utilizing high levels of protein and important amino acids contained in our premier source of collagen. Collatrim Plus helps the body obtain a favourable ratio of the fat-storing hormone insulin and the fat-burning hormone glucagon, while stimulating the release of human growth hormone, which burns fat and strengthens and supports muscle tissue. Collagen is also important for healthy skin and strong joints.

## *NSP Advantage*

Collagen supplement. Contains bovine collagen sourced from animals guaranteed to be

BSE-free (no Mad Cow Disease-affected animals).

*Ingredients:* **Medicinal ingredients:** Each rounded scoop (10.8 grams) provides 4.4 g Hydrolyzed collagen powder. **Non-medicinal ingredients:** Xylitol, citric acid, natural citrus flavour, malic acid, silicon dioxide, freeze-dried Aloe powder.

*Recommendation (adult):* **For Weight**

**Management:** Mix one rounded scoop (10.8 grams) with 4 oz. of water and take before bedtime on an empty stomach.

**For Joint & Skin Support:** Mix 1/3 scoop (3.63 grams) in 4 oz. of water three times daily.

**(For best results:** Do not eat or snack at all for at least three hours before taking Collatrim Plus, and go to bed immediately after taking it. Eat a low fat, high fibre diet including fresh fruits and vegetables. Regular exercise can also benefit your Collatrim program.)

**Risk Information:** Cautions and warnings: Pregnant or lactating women should consult their health care provider prior to using any weight management product.

## Features & Benefits

- Supplements the body's collagen production with high concentration of protein and amino acids.
- Rebuilds muscle tissue and strengthens lean muscle tissue.
