

Heavy Metal Detox

90 capsules, Herbal Combination, Stock No. 507-1

Scientists estimate that over 50 percent of North Americans have too much heavy metal in their bodies. These metals, which include lead, mercury, aluminum, cadmium and arsenic, are found in industrial byproducts as well as tainted drinking water, pesticides and even things as common as dental fillings and cooking utensils.

Heavy Metal Detox is a potent detoxification support product designed to bind with and remove heavy metals from the body. This formula also supports the liver in its efforts to cleanse, detoxify and replenish the body with essential minerals.

Did you know?

Clinical studies have demonstrated that the ingredients in Heavy Metal Detox bind with heavy metals and remove them from the body. Cilantro, one of the main ingredients in Heavy Metal Detox, has proven particularly effective at supporting the removal of metals through the urine.

NSP Advantage

90 capsules. Herbal Combination.

The ingredients in Heavy Metal Detox, including cilantro, bind with heavy metals so the body can remove them through the urine and bowel. Other ingredients, such as N-Acetyl Cysteine stimulate the detoxification in the liver while kelp algae restores the proper levels of vital minerals and nutrients in the body..

Ingredients: Each capsule contains *Coriandrum sativum* (Cilantro) leaves 140 mg; alginic acid 100 mg; *Malus spp.* (Apple) pectin 55 mg; N-Acetyl Cysteine 50 mg; L-Methionine 40 mg; magnesium (from magnesium citrate) 5 mg; *Ascophyllum nodosum* and *Laminaria digitata* (Kelp) plant 20 mg; vitamin B6 5 mg; Alpha-Lipoic acid 5.5 mg

Non-medicinal ingredients: gelatin capsule (gelatin, water), magnesium stearate (vegetable source), silicon dioxide.

Recommendation (adult): Take orally one capsule twice daily with a meal.

Risk Information: Do not use if you are pregnant or breastfeeding. Do not exceed recommended dose. If symptoms of headache, nausea, or diarrhea develop, reduce dosage and see your health care practitioner. Keep out of the reach of children.
