

HRP-C

100 capsules, Chinese herbal combination, Stock No. 937-7
59 mL, Chinese Liquid herbal extract, Stock No. 3167-6

HRP-C is a Chinese herbal combination which strengthens immunity against bacterial and viral infections. It contains herbs which provide powerful antibacterial, antimicrobial, anti-parasitic, and antiviral activity against numerous pathogenic organisms.

Did you know?

HRP-C was developed according to centuries-old Chinese herbal philosophy by a traditional Chinese medical doctor, Wenwei Xie.

When looking for a company to share his formula with, Dr. Xie picked Nature's Sunshine above all the rest.

NSP Advantage

100 capsules. Chinese herbal combination.

Ingredients: 400 mg combination of the finest dandelion (*Taraxacum officinale*) root, purslane (*Portulaca oleracea*) herb, indigo (*Indigofera tinctoria*) herb and root, thlaspi (*Thlaspi arvense*) herb, bupleurum (*Bupleurum chinensis*) root, scute (*Scutellaria baicalensis*) root, pinellia (*Pinellia ternata*) rhizome, Panax ginseng root, cinnamon (*Cinnamomum cassia*) twig and licorice (*Glycyrrhiza uralensis*) root.
