

HSN-W

100 capsules, Herbal combination, Stock No. 944-7

HSN-W is an herbal combination that complements nutrients essential to the protective tissues of the body, particularly the Hair, Skin and Nails.

This formula is an excellent source of minerals, particularly silicon, which is necessary for the formation of collagen for bones and connective tissues, healthy hair, skin and nails, and for calcium absorption.

Did you know?

As reported by the National Research Council, silicon deficiency leads to structural abnormalities of the long bones and skull in chickens, leading researchers to conclude it is important to the human structural system. Silicon levels decrease with aging, so elderly people need larger amounts.

NSP Advantage

100 capsules. Herbal combination.

Ingredients: 410 mg combination of the finest dulse (*Rhodymenia palmata*) plant, ginger (*Zingiber officinale*) root, sage (*Salvia officinalis*) leaves, and rosemary (*Rosmarinus officinalis*) herb.

The herbs in this formula contain naturally-occurring amounts of calcium, iron, magnesium, potassium, protein, selenium, silicon, sodium, vitamin A, and zinc.

Recommendation: Take three capsules with a meal twice daily.

Features & Benefits

- Promotes healthy bones, hair, skin, and nails.
- Stimulates the immune system.
- Traditionally used to treat skin rashes, acne, splitting nails, demineralization, nocturnal emissions, dry mouth and throat, and weakened lungs.
