

IGS II

100 capsules, Herbal combination, Stock No. 964-3

IGS II is an herbal combination designed to fight infections especially in the digestive, lymphatic and respiratory systems.

IGS II contains parthenium, golden seal, yarrow and capsicum—four powerful infection-fighting and immune-enhancing herbs.

Did you know?

IGS II is one of the Nature's Sunshine's oldest formulas. IGS II has stood the test of time because of its uniqueness in effectively fighting infections in glands.

NSP Advantage

100 capsules. Herbal combination.

Ingredients: 425 mg combination of the finest parthenium (*Parthenium integrifolium*) root, golden seal (*Hydrastis canadensis*) root, yarrow (*Achillea millefolium*) flowers, and capsicum (*Capsicum annuum*) fruit. This combination contains naturally-occurring amounts of chromium, cobalt, manganese, riboflavin, selenium, silicon, vitamin C, and zinc.

Recommendation: Take two capsules with a meal three times daily.

CAUTION: Pregnancy & Nursing.

Features & Benefits

- Parthenium and Goldenseal have traditionally been used to support the immune system to fight infections, particularly in the digestive tract, as well as the lymphatic and respiratory systems.
- Capsicum and yarrow may alleviate pain and soothe inflamed tissues.
- The herbs in this formula have been traditionally used to treat jaundice, flu, sore throat, swollen lymph nodes, and abscesses.
