

IMM-C

100 capsules, Chinese Herbal combination, Stock No. 1892-6

IMM-C is a Chinese herbal combination designed to build and strengthen the immune system.

This combination is also a general tonic formula that enhances the body's healing powers where there has been trauma or a chronic degenerative condition.

Did you know?

The principle of therapy is called Sheng Mai, which literally means to generate the pulse. This term is appropriate because Chinese practitioners measure the vital energy of the body by the strength of the pulse.¹

IMM-C provides the necessary elements to insure the equilibrium that promotes the normal function of all body organs. IMM-C strengthens the Metal Element. It also strengthens the Wood, Earth, Fire and Water Elements.
