

Sunshine Heroes Vitamin C with Elderberry

NPN 80025928, 60 chewable tablets, dietary supplement, Stock No. 3315-0
(replaces Herbasaur's Elderberry Plus #3300-9)

Nature's Sunshine Heroes products have been designed especially for children.

Sunshine Heroes Vitamin C with Elderberry supports the immune and respiratory systems. It is especially helpful during seasonal changes, when the most colds, coughs and viral infections occur, as well as during spring allergy season.

Sunshine Heroes Vitamin C with Elderberry is free of any artificial colours, flavours, sweeteners, starches or preservatives. It is also free from the common allergens wheat, soy, and milk.

Did you know?

Recently, elderberry's age-old reputation sparked new research into its curative powers. It turns out that elderberries, along with other deeply colored berries, contain strong antioxidant compounds that improve circulation, eyesight and connective muscle tissues.¹

NSP Advantage

60 chewable tablets of a unique immune support formula for kids. Free from the common allergens wheat, soy, and milk.

Ingredients: Medicinal Ingredients: Each tablet contains Vitamin C (sodium ascorbate) 60 mg and *Astragalus membranaceus* (astragalus) root 20 mg. Non-medicinal Ingredients: Elderberry fruit extract, D-fructose, stearic acid (vegetable source), magnesium stearate (vegetable source), D-mannitol, lemon-lime flavour, D-sorbitol, silicon dioxide.

Recommendation: Take one tablet once daily with a meal. Chew tablet properly prior to swallowing.

Risk Information: Consult a health care practitioner prior to use if you are pregnant or breastfeeding.
